

Hastings Justice Bus® Trip

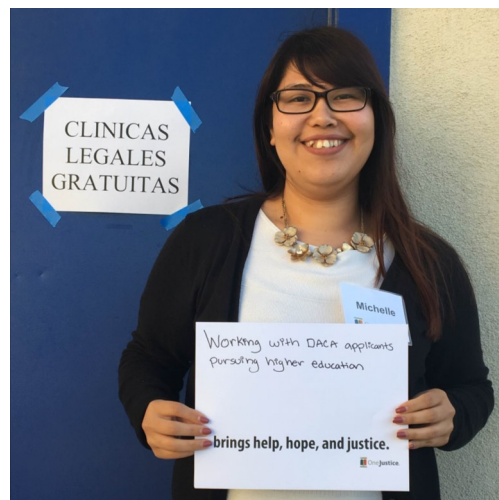

Date: February 27, 2016
Location: Salinas, California
Partner: Santa Cruz Community Immigration Project and UFW
Impact: 11 Clients Served

Dear Hastings Justice Bus Riders:

Because of your hard work and commitment to equal access to justice, 11 underserved Californians are more informed about their immigration options and many are also poised to submit their applications for naturalization or DACA! You should be proud of the positive impact you had on this isolated community. But, don't take our word for it. Here's what your clients had to say:

- "It is already difficult enough to be seen different than others just because we are not legal here...Thanks to [the clinic] I'm able to get help for my DACA application for free and it is great help because money is sometimes an issue."
- "I was surprised, but content with [the volunteers'] attitudes towards the people. All the members I spoke to were polite and they seemed happy to be here."
- "I felt very comfortable and safe with the help that you offered me. Thank you so much."
- "[My volunteer] did everything professionally, and caring, well educated, he helped me with everything with the application."

Thank you again for an amazing day in Salinas. We hope your experience on the Justice Bus trip was fulfilling and that you will keep in touch with OneJustice in the future.
